## 33 Destroyed In Less Than Half-a-month: Relentless Attacks On Reich Continued

TRAWLER SETS DORNIER-17 ON FIRE

ELEVEN ENEMY RAIDERS WERE SHOT DOWN BY BRITISH NIGHT DEFENCES ON THURSDAY, BRINGING THE TOTAL TO 33 IN LESS THAN HALF-A-MONTH, TO BREAK THE RECORD OF 29 DESTROYED IN THE WHOLE OF SEPTEMBER LAST YEAR. STATES A LONDON MESSAGE.

Of the eleven destroyed on Thursday night, eight were shot down by British fighters, one by anti-aircraft fire and the other two by means not yet revealed, states an Air Ministry communique.

THE RELENTLESS ATTACKS ON GERMANY WERE CONTINUED BY THE R.A.F. ON THURSDAY NIGHT WHEN HAMBURG HAD ITS HEAVIEST RAID. HEAVY BOMBS WERE DROPPED ON SHIPYARDS, DOCKYARDS AND WAREHOUSES WHERE CONSI-DERABLE DAMAGE HAD ALREADY BEEN DONE ON THE PREVIOUS NIGHT.

A Dornier-17 was destroyed by a British trawler which fired two shells one of which put the machine off its course and the other set it on fire.

The Germans admit that attacked and that bombs were dropped on military and industrial targets.

The Royal Air Force also attacked ROTTERDAM, BREMEN, EM-DEN and enemy aerodromes in Holland.

Coastal Command aircraft attacked enemy supply ships off the Norwegian coast.

From all the operations six British 'aircraft are missing.

As already reported, a heavy toll of Nazi night bombers was taken. There was again a full moon on Thursday night and a heavy and prolonged attack was made on CLYDESIDE where considerable damage was done to industrial ouildings and private houses. Casualties, though serious, are not thought to be heavy. Fires were soon put out.

MERSEYSIDE was again attacked and there was serious damage to the residential district.

The German High Command claimed that raids were made on GLASGOW, BIRKENHEAD and LIVERPOOL.

The Air Ministry adds that an encouraging feature of Britain's defences is the success of our night fighters.—(Special)

At that time it was, of course, quite impossible to envisage present-day conditions. and despite fluctuation in values, your Committee are satisfied that. the investments are sound.

The President referred to a suggestion by the Committee that oneway traffic be introduced along the whole length of Chater Road into Statue Square, with parking on both sides of the road instead of central parking and one-way traffic as far as Ice House Street, as at present. The Commissioner of Police replied that he was opposed to having one form of parking in the western section and another in the eastern section.
